About The ASSE Foundation

The American Society of Safety Engineers Foundation established by and in partnership with the American Society of Safety Engineers, generates funding which provides resources for scholarship, applied research, academic accreditation, and related academic initiatives in order to advance the safety, health, and environmental profession.

The Foundation currently supports these initiatives:

- **Continuing Education for Safety and Health Professionals**
- **Special Training Seminars** – Seminars are conducted by experts in their field to advance the technical training of New and Seasoned Professionals.
- **Expands Accreditation of Safety and Health Curriculum** – Provide funding and direction to colleges and universities with safety degree programs seeking ASSE/ABET accreditation.

Sponsored by the ASSE Southern Nevada chapter
